▲ About the Organizer ▲

ENMORE BIO

Since its establishment in 2009, ENMORE BIO has hosted hundreds of high-end branded exhibitions over the past decade. We have successfully built the BIOCHINA brand with tens of thousands of attendees in China's bioindustry and launched hundreds of summits, with a total of over 100,000 attendees until now. We use various methods to facilitate the exchange of information and products and to empower the Chinese bio-industry, such as content marketing, products exhibition, offline networking, etc.
